16 Meter tall Walk-In RGB Christmas Tree

- A stunning Landmark at QV Melbourne, making it the Highlight of the holiday season in Melbourne, Australia
- 16.000 programmable RGB lights, partly rented out for advertisement
- Walk-in Tree, with walls made of green Garlands and LED lights, including flying reindeer, which made the tree a true “talk-of-town”
- Turned QV Melbourne into a true attraction, people from all over the city came over and waited in line to enter the magical experience on the square and in inside the Tree

Creating and Sharing unique Christmas Memories

Christmas is all about sharing unique moments and creating long lasting memories with family and friends; and is therefore one of the best occasions to create online exposure.

We help you to create decors that are eye-catching, sometimes interactive and always worth sharing.

Branded Christmas Concept

With our in-house design department, production and logistics facilities, we make the impossible possible.

Artist Collaboration

We love to do things differently and we were honored to work with Basmat Levin last year.

Using our 2D Christmas trees as frameworks for the amazing colorful art by Basmat.

Decorating two office buildings along Times Square and Broadway in New York.

We truly loved it!

BASMAT

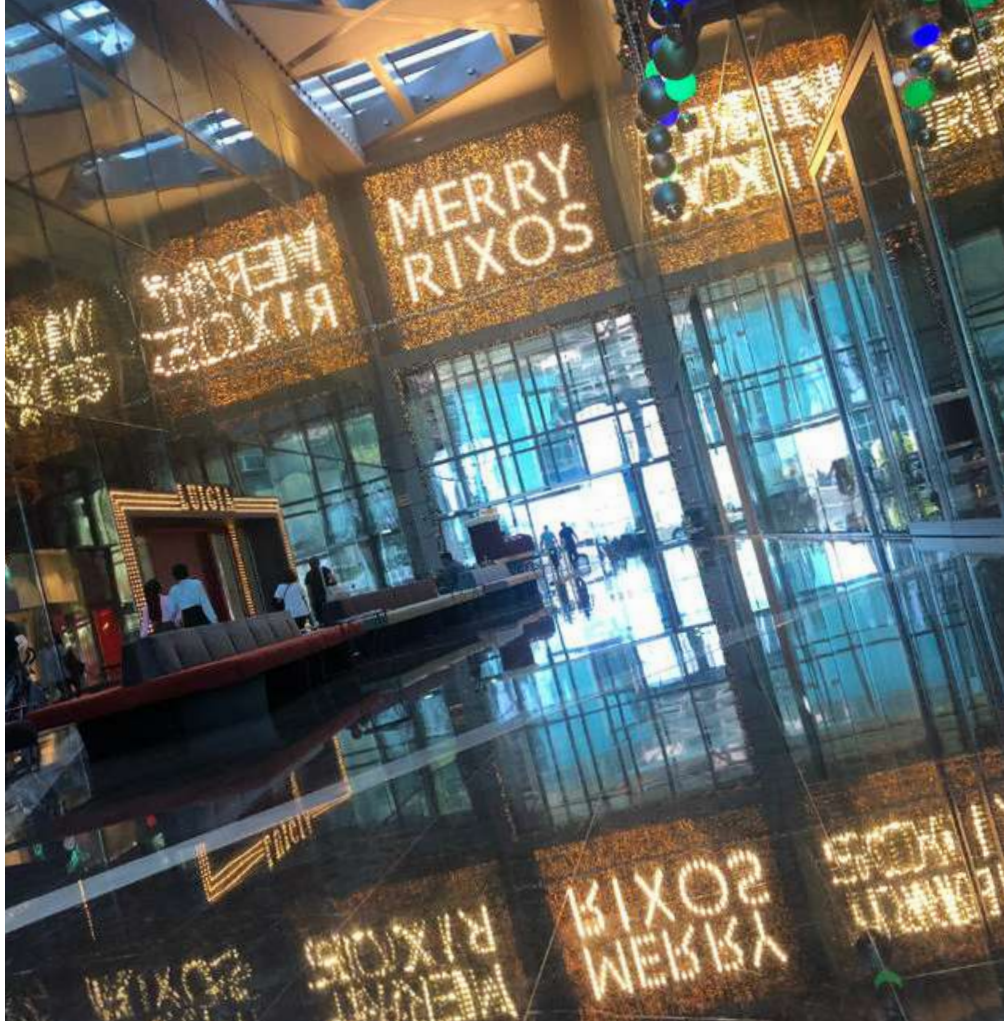

With 8 teams serving all continents, The Xmas Designers know how to exceed the expectations. Adding an incredible value with international concept development and high quality production and distribution; all around the world.
